ORDER OF THE PRESIDENT OF THE GENERAL COURT

12 May 2026 *

(Legal aid – Application made before an action against the Commission has been brought)

In Case T-61/26 AJ,

QN,

applicant,

v

European Commission,

defendant,

THE PRESIDENT OF THE GENERAL COURT

makes the following

Order

- 1 By application lodged at the Court Registry on 20 January 2026, the applicant, QN, applied for legal aid, pursuant to Article 147 of the Rules of Procedure of the General Court, with a view to bringing an action for annulment of a Commission decision declaring a joint venture compatible with the internal market in the electronic communications sector.
- 2 Under Article 146(1) and (2) of the Rules of Procedure, the grant of legal aid is subject to the twofold requirement that, first, the applicant, because of his financial situation, is wholly or partly unable to meet the costs of the proceedings

* Language of the case: English.

and that, second, the Court has jurisdiction to hear and determine the action in respect of which the application for legal aid is made and that that action does not appear to be manifestly inadmissible or manifestly lacking any foundation in law.

- 3 Under Article 148(2) and (3) of the Rules of Procedure, the decision on the application for legal aid is to be taken by the President by way of an order, which, in the event of refusal, is to state the reasons on which it is based.
- 4 Furthermore, under Article 147(4) of the Rules of Procedure, if the application for legal aid is made before the action has been brought, the applicant must briefly state the subject matter of the proposed action, the facts of the case and the arguments in support of the action. The application must be accompanied by supporting documents in that regard. That requirement is, moreover, also set out in the legal aid application form.
- 5 In the present case, it should be noted that the applicant intends to bring an action under Article 263 TFEU against a Commission decision, without, however, providing any further information relating to that decision or a copy thereof.
- 6 Furthermore, the applicant claims that the proposed action is neither manifestly inadmissible nor manifestly lacking any foundation in law. However, the application for legal aid contains no summary of the facts of the case or of the arguments in support of the proposed action.
- 7 Accordingly, it is impossible for the Court to assess whether the conditions of Article 146(2) of the Rules of Procedure are fulfilled as regards the action envisaged by the applicant.
- 8 In the light of all the foregoing considerations, the present application must be rejected, in accordance with Article 146(2) of the Rules of Procedure, without it being necessary to examine whether the applicant has established that, because of his financial situation, he was wholly or partly unable to meet the costs of the proceedings.

On those grounds,

THE PRESIDENT OF THE GENERAL COURT

hereby orders:

The application for legal aid in Case T-61/26 AJ is rejected.

Luxembourg, 12 May 2026.
